BUSINESS NEWS

2013 has been a fantastic year for our customers. Much of the older inventory carried over from 2012 has been cleared out with our customers reporting a successful season, and an overall improvement on 2012. In some cases, Halloween sales were reported to be a little lower this year, but despite this, year-round sales were generally up giving our customers a more profitable year overall!

I would like to take this opportunity to thank all of our fantastic customers for their loyalty and custom this year - we appreciate your business and are very much looking forward to a being part of your prosperous 2014!

As always, if you have any questions or if we can be of any further assistance please don't hesitate to call us on our new toll-free number:
1-888-980-6227.

Please let me know what you think of our website, newsletter and the extra efforts we are putting in to provide you with more information! If you have any suggestions, please don't hesitate to contact us - any suggestions are very much appreciated!

Thank-you to all for letting me be your Rubie's provider.
